Man deserve more they give rest to mi  
But every knee shall bow and every tongue confess to me

Every gully ah mine  
Say if u pass cassava piece and  
See the range and in have to worry ah mine  
Cus the gully ah mine  
So when the pagans rise against  
Mi defense ah the gully mi find  
Say from the gully say mi nah cease  
But fa mi touch de road dem mama cro  
The gully side becomes a target  
Some neva know when we ah walk it  
But now ah means ah dess thru out mi stress  
Dem see mi things and now dem ah want it  
Wan reap the fruit and neva plant it  
Wan dark up mi turn e  
Cus they wan me carry water in ah basket  
What have I done wrong mi ask it

But sing ah couple songs about the gangs  
Cus someone need to talk it

So on whoaai  
The most high whoaai  
Will protect I whoaai  
The most hiiggghhhh

Fa even if we left the gully  
Don't worry don't worry  
Retaliation in a hurry  
Don't worry don't worry

Every gully ah mine  
Don't worry don't worry  
Cus the gully ah mine
