

# Heart Beat

Mavado

O yes girl  
Just gonna let you know

(Girl you know)  
Gangsta mi love you fi life

I can't believe  
What I saw  
With my two eyes  
This girl who made  
My world spin around  
When she passed me by  
I want you to know  
That I need you so000000  
And baby girl  
I wanna let you know

Girl you are my heart beat  
Baby girl  
Mi love you more than eva  
Baby girl you are my heart beat  
And I need to tell no lie  
Girl you are my heart beat

Whenva time you pass my gate  
Girl, I'm looking at you  
If I was the judge in the court  
Mi wouldda throw the book at yo  
You look so smooth  
Don't say I'm rude, girl  
But, mi really want fi hold yo  
Inna mi arms  
Girl, I really need to control yo

Girl you are my heart beat  
Need to tell no lie  
Baby girl, I can't sleep, no  
No no no  
Baby girl you are my heart beat  
Baby girl, I can't sleep  
I can't sleep

When am I gonna have you for myself  
Be sure that I, won't share with no one else  
You to me  
Is like a perfect harmony  
That's how it should be  
You and me  
Create a happy family

You my heartbeat  
Need to tell no lie  
Listen to my speech  
Baby girl, ma heart beat  
Beat, beat  
Baby girl  
Heaven knows, God knows

Even mama knows, god knows, god knows. God knows

When anything

Wheneva time and I will be there

Call me, Call me girl

Cause you know you are my heartbeat

Baby girl listen to my speech

Can't sleep
