

Jah Is My Everything

Mavado

Why prepareth a table in front me
And knoweth that your my enemy

Yea protect high and high yea
When the Eden dem a join

A prayer a day a fi all wi gi people
The same one mi used conker evil
Dem waan fi si mi fall
Naw happen none at all
Mi prase the man weh meck the rain a fall

Jah is my everything
My everything
When the Eden a pray fi mi fall
Dem waan mi fi left the Dancehall
And lose everything
Dem cyaa go round mi thing
Badmind an a words some a throw
But dem cyaa stop mi star mi a glow

Yea yuh no si seh fi mi feature bright
Jah protect mi all when dem a shoot a night
Hold mi squeeze mi hand like a shoes weh tight
If a no him a shine this then a who fa light
Yea the pagan dem a temp mi

Right now yo no si mi life colorful
