

I Can Never Be

Maverick Sabre

Yeah, Yeah, Yeah
Yeah, Yeah, Yeah, Yeah,
Yeah, Yeah, Yeah, Yeah

And you know I can never be,
What you want me to be,
And you know that you'll never make me change
And you know that the manual isn't inside of me
So, I might as well just walk out into the rain.

I tried so many times to be where you wanted,
So much better than before,
And I tried to say them things that you wanted to hear,
But it never, never ever worked...no.

And you know I can never be,
What you want me to be,
And you know that you'll never make me change
And you know that the manual isn't inside of me
So, I might as well just walk out into the rain.

I can picture you lying beside me,
Still remember kissing your face and watching you smile,
I can never be something I'm not and you know it
But I wish I could hold your hand and tell you it's alright.

But it's all so hard not to speak to you,
Cause I want to hear your voice again.
And it's all so hard not to speak to you,
Cause i want to hear your voice again.

And you know I can never be,
What you want me to be,
And you know that you'll never make me change
And you know that the manual isn't inside of me
So, I might as well just walk out into the rain.

And you know I can never be,
What you want me to be,
And you know that I'll never be changed
Cause the manual isn't inside of me
So I might as well just walk out into the rain.

Eh, eh, eh...
No no no no

I can never...never...be what you want me to be,
Cause the manual isn't inside of me...
