

I Wanna Thank You

Mavis Staples

Lord, will You forgive me for forgetting
To say thank You for the things that You do for me
Things are going so good I get to feeling so fine
But if it wasn't for Your giving
Nothing, nothing would be mine.

I wanna thank You for the sir I breathe
Thank You for my hands and feet
Thank You f, Lord for lettin' me live
Thank you for another day
Thank You when You hear me pray
Thanks for blessings bestowed
Thank You Lord, I'm grateful Lord

Forgive me, yeah for forgetting to be thankful
Bow on my knees every day in prayer
Things get so good, I gotta make my dine
But if it wasn't for Your giving
Nothing, nothing, would be mine
If it wasn't for Your giving
Nothing, nothing would be mine
Said if it wasn't for Your giving
Nothing, nothing would be mine
