

# We're Gonna Make It

Mavis Staples

We may not have a cent to pay the rent  
But we're gonna make it, I know we will  
We may have to eat beans every day  
But we're gonna make it, I know we will  
And if a job is hard to find  
And we have to stand in the welfare line  
I've got your love and you know you got mine  
We're gonna make it, I know we will

We may not have a home to call our own  
But we're gonna make it, I know we will  
We may have to fight hardship alone  
But we're gonna make it, I know we will  
'Cause togetherness brings peace of mind  
We can't stay down all the time  
I've got your love and you know you got mine  
We're gonna make it, I know we will

Our car may be old, our two rooms cold  
But we're gonna make it, I know we will  
We can't even spare a roach a crumb  
But we're gonna make it, I know we will  
And if I have to carry around a sign  
Sayin' "Help the deaf, the dumb, and the blind"  
I got your love and you know you got mine  
We're gonna make it, I know we will

We're gonna make it  
(We're gonna make it, we're gonna make it)  
We're gonna make it, y'all  
(We're gonna make it, we're gonna make it)  
It might seem hard sometimes  
(We're gonna make it, we're gonna make it)  
But don't worry about this  
(We're gonna make it, we're gonna make it)  
We're gonna make it  
(We're gonna make it, we're gonna make it)  
We gotta keep on tryin'  
(We're gonna make it, we're gonna make it)  
Things can't stay wrong for us always no no no  
(We're gonna make it, we're gonna make it)  
We're gonna make it,  
(We're gonna make it, we're gonna make it)  
We're gonna make it  
(We're gonna make it, we're gonna make it)  
We're gonna make it oh yes  
(We're gonna make it, we're gonna make it)  
We're gonna keep on pushin' now,  
(We're gonna make it, we're gonna make it)
