

Blow Me A Dub

Max B

See we all medicate our pains some ways
This is what we do

I'm 'bout to blow me a dub I need a swig of Grand Cru to take the pain away
The sour sarinates my soul (You better show me some love)
We sell seven bricks of caine today What's the matter, what ya hold
(It's like my homies are buzzed) I'm a pour a lil' liquor on the curb
for my homies, see ya at the crossroads (You niggaz better show me some love)
Show me some love

Niggaz tried they best to hurt me, come and test the birdie I'm Tom Brady,
you a Testeverde Yeah, old, washed-up with no arm strength He don't show
no remorse, he ain't got a conscience He ain't got the don sense to be the boss
Who that nigga they they talkin' 'bout, that he need the cost Biggavel',
bet I prove 'em wrong again just like the last wave I only get the money,
hit the honeys that be nasty Blast me, caught 'em off the lean, took his
breath away The ratchay, tore him off his jeans, took his vest away
Spend 50, put the rest away, tuck my metal hold 750 for a rainy day,
cause you'll never know Know he got that better blow, Ds tried to crept
strong The Ds'll steal a 9 even when stepped on The sourman, throw me dub,
the powderman, show me love 95 off a high-speed drive

I'm 'bout to blow me a dub I need a swig of Grand Cru to take the pain away
The sour sarinates my soul (You better show me some love)
We sell seven bricks of caine today What's the matter, what ya hold
(It's like my homies are buzzed) I'm a pour a lil' liquor on the curb
for my homies, see ya at the crossroads (You niggaz better show me some love)
Show me some love Nigga better show me some love man

All this wave I bring to the game Y'all niggaz better Biggavel' that love man
Might have to go back in, ya know Might have to go do that 30, ya know
Fuck it, ya know I'm a leave you niggaz that wave though Boss Don Biggavel',
Byrd gang Gotta love it, yeah Public Domain 2 shit for you niggaz baby
So wavy Shouts to my boy Midel Barrio Got the smiley faces back in the building
Nigga Al Pac, what's good baby, Gain Greene Ron Gida, Mike Bruno, ya know
It is what it is

I'm 'bout to blow me a dub I need a swig of Grand Cru to take the pain away
The sour sarinates my soul (You better show me some love)
We sell seven bricks of caine today What's the matter, what ya hold
