

Let The Power Fall On I

Max Romeo

Oh, let the power fall on I, far I
Let the power fall on I
Oh, let the power from Zion fall on I
Let the power fall on I
Oh, divide justice, peace and love far I
Divide justice, peace and love
how long will the wicked reign far I?
Divide justice, peace and love
So let the power fall on I, far I
Let the power fall on I, oh Zion
Oh, let the power from Zion fall on I
Let the power fall on I
So let the power fall on I, far I
Let the power fall on I, oh Zion
Oh, let the power from Zion fall on I
Let the power fall on I
Oh, let the wicked burn in flames far I
Let the wicked burn in flames
Oh, let the wicked burn to ash far I
Let the wicked burn in flames
And let the power fall on I, far I
Let the power fall on I, oh Zion
Oh, let the power from Zion fall on I
