

Pray For Me

Max Romeo

Pray for me
Pray for me
In this troubled, sickened world
I stand alone, so
Pray for me, pray for me, pray for me

I once lived the life
Of a weak heart
No mercy did I ever see
I robbed and I killed
I lied for a thrill
Your forgiveness, O God, I ask

Listen to me now!
Pray for me
Pray for me
In this troubled, sickened world
I stand alone, so
Pray for me, pray for me, pray for me

Pray for me now
Pray for me
Pray for me
In this troubled, sickened world
I stand alone, so
Pray for me

I'm weary, sad and worn
Your hands I lean upon
When the world - this world - seems all so drone
Will you pray for me?

Pray for me now
Pray for me, brother
Pray for me now
Pray for me, little sister
