

# Pray For Me

Max Romeo

Pray for me  
Pray for me  
In this troubled, sickened world  
I stand alone, so  
Pray for me, pray for me, pray for me

I once lived the life  
Of a weak heart  
No mercy did I ever see  
I robbed and I killed  
I lied for a thrill  
Your forgiveness, O God, I ask

Listen to me now!  
Pray for me  
Pray for me  
In this troubled, sickened world  
I stand alone, so  
Pray for me, pray for me, pray for me

Pray for me now  
Pray for me  
Pray for me  
In this troubled, sickened world  
I stand alone, so  
Pray for me

I'm weary, sad and worn  
Your hands I lean upon  
When the world - this world - seems all so drone  
Will you pray for me?

Pray for me now  
Pray for me, brother  
Pray for me now  
Pray for me, little sister
