## **Three Blind Mice**

**Max Romeo** 

I went to a party, last Saturday night When I reached the party everything was right Then Babylon raid, them raid, them raid Me gets me 'fraid, me gets me 'fraid It was like three blind mice You could-a see how dem run It was like three blind mice You could-a see how dem run Baddie sticks start flyin', man start to bawl Some jump de fence, some put off defense But it gets me 'fraid when Babylon raid The police checked the deejay Tell him to turn off sound The crowd never like that Them start gathering 'round Let the music play Let it play, let it play Let the music play It was like three blind mice You could-a see how dem run It was like three blind mice No man no want go a jail Let the music play Let it play, let it play Let the music play Let the music play Let it play, let it play
