

Time For Jah

Max Romeo

Can you find a little time for jah?
Can you find time for rastafari?
Can you find a little time for jah?
Can you find time for rastafari?

Man should give praises whe he rise up in the mornings
He should give thanks for all he sees
Learn to appreciate the beauty of his surroundings
The flowers the birds and the trees

Can you find a little time for jah?
Can you find time for rastafari?
Can you find a little time for jah?
Can you find time for rastafari?

They say the rain don't fall on one man house top
And the sun it shines for all
Jah eats no portion he provides for everyone
Be he weak or be he strong
Jah give us life health strength and knowledge
And protection all day
