

# Wha We A Go Tell Jah Seh

Max Romeo

Run to the ??? to hide yourself hmm, hmm, lord  
I say that run to ??? to hide yourself hmm, hmm, lalalalala

Wha we ago tell jah seh, on the judgement day  
Wha we ago tell jah seh, on the judgement day

When the fire start to burn, burn, burn, burn  
When the fire start to burn, hmm, hmm

Wha we ago tell jah seh, on this judgement morning  
Wha we ago tell jah seh, we hear the wicked them bawlin'

And the fire start to burn, burn, burn, burn  
And the wicked start to burn, yeah, hmm, hmm

We're heading in the wrong direction  
We all got to use your discretion  
Crime and violence is all we know  
We can only reap that which we sow  
Remember the children are our future  
??? forever  
Uh uh yeah, hmm hmm, na na na

Hmm hmm...

We've got to chase ???  
Let's be kind to the people of the street  
It's not too late to make amend  
Let's stick together, let's all be friends  
We live in a world, a world so lost (???)  
We live in a world, a world so cool

Hmm hmm hmm, yeah yeah

Wha we ago tell jah seh, on the judgement day  
Wha we ago tell jah seh, on the judgement day

When the fire start to burn, burn, burn, burn  
When the fire start to burn, yeah, hmm, hmm

Wha we ago tell jah seh, on the judgement morning  
Wha we ago tell jah seh, when we hear the wicked them bawlin'

And the fire start to burn, burn, burn, burn  
And my people never learn, no, learn, learn, learn

Wha we ago tell jah seh, on the judgement day  
Wha we ago tell jah seh, and it's a dreadful morning

When the fire start to burn...
