

I'll Come Back For You

Max Schneider

I'll come back for you
Back some day for you
If it's too hard for you
Then do what you gotta do

But I can't turn around when I just figured out what I need so be
But baby, I'll come back for you
Back some day for you

And the distance could kill us, or make us strong
It ain't right to be apart from you for so long
And this world is out to get us but,
Baby don't be jealous
'Cause I'll come back for you
Back some day for you

I'll come back for you.
Back some day for you.
I give anything to be with you, it's so damn true.
It don't feel right to leave you and I'm all alone in an airport, bab
y
But I'll come back for you
Back some day for you
Hey yeeaaaah, hey yeah
And I'll come back for you
And I'll be waiting for you

And you need to know,
That I ain't gonna go
And leave you for someone new.
I'll come back for you
Back some day for you

I'll come back for you
Back some day for you
If it's too hard for you
Then do what you gotta do

I'll come back for you
Back some day for you
And while I'm away
My heart will stay right here with you
And I just can't wait,
'Til I'm on my way to LAX, now, baby
I'll be back with you
Right here back with you
I'll be back with you
Right here back with you
