

High Class In Borrowed Shoes

Max Webster

(Music--Kim Mitchell; Lyrics--Pye DuBois)

u got detective eyes / and u refuse my lies
a hand on a shoulder / a hand on a gun
but the hand takes a hand / before the gun takes a gun

HIGH CLASS in overcruise / a little hip talk in borrowed shoes
a foot in the kitchen / a foot in the door
but the foot in your mouth / is so u don't get bored
HIGH CLASS in overcruise / a little hip talk in borrowed shoes
HIGH CLASS in borrowed shoes / a little lip talk--tomato juice
