

In The World Of Giants

Max Webster

(Music--Kim Mitchell; Lyrics--Pye DuBois)

Doug Riley: Piano

Dave Stone: Synthesizer

in the world of giants / candy stores / you got the morning look

and your head is screaming / and you can't tell / where do you come from

in walks just another client / crazed and bored / he's got the morning look

and his head is screaming / he can't tell / where does he come from

start dreaming about / rock and golden wheels

start dreaming about / roll and garden wheels
