I was only 17
When I got my heart ripped clean
I was just a baby then

Love's so confusing
The scenes are amusing
I have to express how I feel

I was only 17
When I got my heart ripped clean
How can I forgive you that

Love's so confusing
The scenes are amusing
I have to express how I feel

One thing I know is true
I'll never replace you
A memory I rewind and play
