

Are You Ready For Me

Maxi Priest

I'm ready for you, ooh baby
Are you ready for me?
Are you ready for me? Ooh baby
'Cause I'm ready for you

Say let's do it my way
Show you the right way
Just you wait and see
When you get to know me

You won't be lonely
Let's take it naturally
Girl, don't you play me
There's no more maybe's

I want you here with me
Someone to rely on
A shoulder to cry on
I say that love is the key
Listen nana

I'm ready for you, ooh baby
Are you ready for me?
Are you ready for me? Ooh baby
'Cause I'm ready for you

I need some affection
Sweet loving injection
Can't you see what I mean?

There's no escaping
Don't keep me waiting
I need you constantly
Listen nana

I'm ready for you, ooh baby
Are you ready for me?
Are you ready for me? Ooh baby
'Cause I'm ready for you

I need some affection
Sweet loving injection
Don't you see what I mean?

There's no escaping
Don't keep me waiting
I need you constantly

I'm ready for you, ooh baby
Are you ready for me?
Are you ready for me? Ooh baby
'Cause I'm ready for you

So let's do it my way
Show you the right way
Just you wait and see

When you get to know me
You won't be lonely
Let's take it naturally

I'm ready for you, ooh baby
Are you ready for me?
Are you ready for me? Ooh baby
'Cause I'm ready for you
