

# Crazy Love

Maxi Priest

I can hear her heartbeat from a thousand miles  
And the heavens open everytime she smiles  
And when I come to her that's where I belong  
Yet I'm running to her like a river's song

She give me love, love, love, love, crazy love  
She give me love, love, love, love, crazy love

She's got a fine sense of humour when I'm feeling low  
down

And when I come to her when the sun goes down  
She takes away my troubles, takes away my grief  
Takes away my heartache, I go right to sleep

She give me love, love, love, love, crazy love  
She give me love, love, love, love, crazy love  
She give me love, love, love, love, crazy love  
She give me love, love, love, love, crazy love

Yes I need her in the daytime  
And I need her in the night  
And I wanna hold my arms around her  
Kiss her, hug her, kiss her, hug her tight

And when I'm returning from so far away  
She gives me some sweet lovin', brightens up my day  
Yet it makes me righteous, yes it makes me whole  
Yet it makes me mellow down to my soul

She give me love, love, love, love, crazy love  
She give me love, love, love, love, crazy love
