

Crazy Love

Maxi Priest

I can hear her heartbeat from a thousand miles
And the heavens open everytime she smiles
And when I come to her that's where I belong
Yet I'm running to her like a river's song

She give me love, love, love, love, crazy love
She give me love, love, love, love, crazy love

She's got a fine sense of humour when I'm feeling low
down

And when I come to her when the sun goes down
She takes away my troubles, takes away my grief
Takes away my heartache, I go right to sleep

She give me love, love, love, love, crazy love
She give me love, love, love, love, crazy love
She give me love, love, love, love, crazy love
She give me love, love, love, love, crazy love

Yes I need her in the daytime
And I need her in the night
And I wanna hold my arms around her
Kiss her, hug her, kiss her, hug her tight

And when I'm returning from so far away
She gives me some sweet lovin', brightens up my day
Yet it makes me righteous, yes it makes me whole
Yet it makes me mellow down to my soul

She give me love, love, love, love, crazy love
She give me love, love, love, love, crazy love
