

# Groovin' In The Midnight

Maxi Priest

I wanna do it with you  
I wanna do it with you  
Ah yeah, yeah i wanna do it with you  
I wanna do it with you  
Ooh, ooh, yeah, yeah, ah yeah, yeah  
Groovin' all night

Groovin' in the midnight  
Sailing on a summer breeze  
Rocking with the passion  
Talking it to ecstasy

Groovin' in the midnight  
Sailing on a summer breeze  
Rocking with the passion  
Talking it to ecstasy

Is it my imagination  
Or is it just a deal  
Already jumping to conclusions?  
It feels so real (you say)  
You say the bottom line's excitement  
You don't give up, far we go  
The nights is young and calls for fun  
So let's just take it slow

Groovin' in the midnight  
Sailing on a summer breeze  
On a summer breeze  
Rocking with the passion  
Talking it to ecstasy  
To ecstasy, to ecstasy

Groovin' in the midnight  
Sailing on a summer breeze  
Rocking with the passion  
Talking it to ecstasy

Dis i read you right?  
Or do i take the cue?  
I'll make the first move  
And then i'll leave it up to you  
We can't go wrong feeling like we do  
We'll desire lead the way  
And we'll just follow through

The sky's the limit  
You say you're down with it  
Soon we'll see  
If you're just playing cute on me

The sky's the limit  
You say you're down with it  
Soon we'll see  
If you're just playing cute on me

Groovin' in the midnight

Sailing on a summer breeze  
Rocking with the passion  
Talking it to ecstasy

Groovin' in the midnight  
Sailing on a summer breeze  
Rocking with the passion  
Talking it to ecstasy

Oh yeah  
I wanna do it with you  
I wanna do it with you  
Yeah, yeah, yeah  
I wanna do it with you  
I wanna do it with you  
Ah yeah, yeah  
I wanna do it with you  
I wanna do it with you  
Ooh, ooh, ooh, ooh, ooh, ooh, ooh,  
I wanna do it with you

The sky's the limit  
You say you're down with it  
Soon we'll see  
Soon we're gonna see  
Soon we're gonna see  
If you're just playing cute on me

The sky's the limit  
You say you're down with it  
Soon we'll see  
If you're just playing cute on me

Groovin' in the midnight  
Sailing on a summer breeze  
Rocking with the passion  
Talking it to ecstasy

Oh guide, on guide  
Rockin' and a-groovin'  
And a-groovin' on guide  
Oh guide, on guide  
Rockin' and a-groovin'  
If it's alright, it's almost midnight  
We got the moonlight  
If it's alright, it's almost midnight  
We got the moonlight  
With you, with you girl

Groovin' in the midnight  
Sailing on a summer breeze  
Rocking with the passion  
The night is young and calls for fun  
So let's just take it slow (ecstasy)

Groovin' in the midnight  
Sailing on a summer breeze
