

The Art Of Seduction

Maxi Priest

Her skin smells so beautiful.
This woman's a thrill and I'm so curious, but I already know.
She's a man-killer, pulling me in
and I'm losing my mind.
She's got a sex appeal beyond imagination
And she knows how to use it to get what she wants
Using her body and emotion
and she's using it well, using it well.
She makes me want to want her,
want to want her, want to want her
She's pulling me in, pulling me in
Want to want her, want to want her.
Pulling me in, pulling me in
using the art of seduction.
Watching the way she moves,
She gets me in the mood,
Makes me feel hot inside,
Baby, just let me ride.
I like the things you do,
So why don't you do them to me?
You got me going crazy
Baby, baby, baby.
And she knows how to use it to get what she wants
Using her body and emotion
and she's using it well, using it well.
She makes me want to want her,
want to want her, want to want her
She's pulling me in, pulling me in
Want to want her, want to want her.
Want to want her, want to want her
and I like it.
