

## The Saviour

Maximilian Hecker

They will steal my crown  
And ruin my kingdom  
Force me to break down  
Take my pride  
Deprive me of grace  
Plunder my homeland  
Leave me down on the ground  
They will raid my blood  
And abduct my brothers  
Pilfer my treasures  
Waste my fields  
That's what I expect  
That's what I deserve

For redeeming all mournful souls  
With my splendour  
I'll shine until I fall, my father  
I'll shine until I fall  
I'll shine until I fall, my father  
I'll shine until I fall  
And there's nothing in the world  
There's nothing in the world to save my life
