You know that I would love to see you next year I hope that I am still alive next year You magnify the way I think about myself before you came I rarely thought about myself

Behind your veil I found a body underneath inside your head were things I never thought about you know that I would love to see you next year I hope that I am still alive next year

What's my view?
well how am I supposed to know

you know that I would love to see you in that dress I hope that I will live to see you undressed the every day is part of what consumes me the hate I feel is part of what fuels me

I testify to having guilty feelings
I must confess I'd like to be caught stealing
you know that i would like to see you in that dress
I hope that I will live to see you undress

What's my view?
Well how am I supposed to know?

I like to wait to see how things turn out If you apply some pressure (2x)

What happens when you lose everything you just start again you start all over again (2x)
