

## Graffiti

Maxïmo Park

Well that's enough I can't take anymore,  
I'm right out of vision I'm right out of hope,  
You set me up to just knock me down,  
What's on your conscience nothing happens in my town

I'll do graffiti if you sing to me in French,  
What are we doing here if romance isn't dead,  
Mind your mouth as you walk with me,  
Take care ooh as you cross the street

Well that's enough I've had it up to here,  
I've lost my vision I've lost my hope,  
You work me up just to hand me down,  
You've lost your conscience cos nothing happens in my town

I'll do graffiti if you sing to me in French,  
What are we doing here if romance isn't dead,  
Stay in line on the foreign trip,  
Waking up when I need a lift

I'll do graffiti if you sing to me in French,  
What are we doing here if romance isn't dead,  
Stay in line on the foreign trip,  
Waking up when I need a lift

And that's enough
