

Is It True?

Maxïmo Park

Disappearing into you-
You can feel me coming through.
Is it true?
Close to understanding you-
You can feel me coming through.
Is it true?

Now that I'm in bed with you listening to your favourite tunes,
ambivalent.
Ambivalent.
Ambivalent.

You can tell I'm into you.
There's no need to play it cool.
Is it true?
That thing I heard about you?
Disappearing into you -
You can feel me falling through.
Is it true?

Now that I'm in bed with you listening to your favourite tunes,
ambivalent.
Ambivalent.
Ambivalent.

Oh, I never came too soon.
Oh, you didn't come too soon.
Oh, I never came too soon.
Oh, you never come too soon.

Now that I'm in bed with you listening to your favourite tunes,
ambivalent.
Ambivalent.
Ambivalent.
Now that I'm in bed with you listening to your favourite tunes,
ambivalent.
Ambivalent.
Ambivalent.
