

Mello: Sumthin (The Hush)

Maxwell

So if it's cool, I want you
I love you until you're
Black and black and black and blue
Till the police comes through
What, can't hear you
What, you ashamed of me
Come on, got a little secret

It's on the hush, only you and I will know
It's on the hush, it's on the hush
It's on the hush, only you and I will know
Only you and I will know
It's on the hush, only you and I will know
I'm not gonna tell nobody, I'm not gonna tell you're momma
It's on the hush, only you and I will know

So if it's cool, I wanna rock with you
I wanna rock you baby
Slip you my mellow smooth
You know, you know what to do
(I'm not gonna tell nobody)
Rock you until you're blue
So if it's cool, (if it's cool)
Then we can do (we can do) a little something

Y'all wanna do a little something tonight

So if it's cool, we can do a little something

Something, woo
Something, woo woo
Something, woo
Something, woo
