

# Of All Kind

Maxwell

I never felt the fame  
I never won the game  
If I had a wedding ring  
You would be the only thing  
That I

Wanna be where you are the spirits go  
If the end should come I sure hope they know that

I love you like there's no end in sight  
You're like a God in my mind  
You're a highest high of all kind

Oh  
If I could help it I would take your place instead  
I just wanna end the pain baby  
I just want you back again  
Because I

Wanna be where you are the spirits go  
If the end should come I sure hope they know that

There's no end in sight  
You're like a God in my mind  
You're a highest high of all kind

Never alone you surround me with your soul  
Every where I go  
You're around me and you know  
Cause I love you like you're like my life  
You're a God in my mind  
You are of all kind

I love you like there's no end in sight  
You're like a God in my mind  
You're the highest high of all  
I love you like there's no higher site  
You're like a God in my mind  
You're the highest high  
Of all kind  
Of all kind  
You're a highest high  
Of all kind  
Of all kind  
You're the highest high of all kind  
I love you like there's no end in sight  
You're like a God in my mind  
Of all kind  
All kind  
All kind  
You're the highest high of all kind
