

## Prettywings

Maxwell

Time will bring the real end of our trial  
One day they'll be no remnants  
No trace, no residual feelings within ya  
One day you won't remember me

Your face will be the reason I smile  
But I will not see what I cannot have foreva  
I'll always love ya, I hope you feel the same

Oh you played me dirty, your game was so bad  
You toyed with my affliction  
Had to fill out my prescription  
Found the remedy, I had to set you free

Away from me  
To see clearly the way that love can be  
When you are not with me  
I had to leave, I have to live  
I had to lead, I had to live

If I can't have you, let love set you free  
To fly your prettywings around  
Prettywings, your prettywings  
Your prettywings around

I came wrong you were right  
Transformed your love into light  
Baby believe me I'm sorry I told you lies

I turned day into night  
Sleep till I died a thousand times  
I shoulda showed you  
Better night better times better days  
And I miss you more, and more

If I can't have you, let love set you free  
To fly your prettywings around  
Prettywings, your prettywings  
Your prettywings around
