

## The Suite Theme

Maxwell

Yeah (whispers)  
Closer (whispers)  
Let's take some time (whispers)  
Sip your wine (whispers)  
That's it (whispers)  
Do you want mines too?(whispers)

Nice (whispers)

Come on (whispers)

Hey, hey  
Oh yes,  
Oh yeah, ooh

Scream (whispers)

Don't go away baby  
Don't go away baby  
Hang a while longer darling  
If you don't mind, I know  
I know darling  
If you don't mind darling  
Then hang with me baby  
Hang with me baby

Take your time (whispers)

Don't go (whispers)

Stay with me okay (whispers)

Promise me you'll care for me (whispers)

Promise... that you'll marry me (whispers)
