

## Should I Stay, Should I Go

Maxx

Should I stay, should I go  
I wanna know  
What I've got to do  
Should I stay, should I go  
Well I don't know  
Should I stay, should I go  
I wanna know  
Should I stay, should I go  
How will I know

Love makes me blind and spins me round and round  
You take me up, you take me down  
I start to lose control what can I do  
Tell me what you want, tell me what you need,  
I'll do everything for you

I don't know if you feel the same for me  
One touch too much and I'm gonna go crazy  
I'm in the mood for love, for loving you  
Tell me what you want, tell me what you need,  
I'll do everything for you
