

In My Head

Mayday Parade

Everybody's looking for love, oh
Ain't that the reason you're at this club? Oh
You ain't gonna find a dance with him, no
Got a better solution for you, girl, oh

Just stay with me now, say the word, and we'll go
I'll be your teacher, I'll show you the ropes
You'll see a side of love you've never known
I can see it going down, going down

In my head I see you all over me
In my head you fulfill my fantasy
In my head you'll be screaming, oh

In my head it's going down
In my head it's going down
In my head

Some dudes know all the right things to say, oh
When it comes down to it, it's all just a game so
Instead of talking, let me demonstrate, yeah
Get down to business, let's skip foreplay, ay

Just stay with me now, say the word and we'll go
I'll be your teacher, I'll show you the ropes
You'll see a side of love you've never known
I can see it going down, going down

In my head I see you all over me
In my head you fulfill my fantasy
In my head you'll be screaming, oh

In my head it's going down
In my head it's going down
In my head

You singing to me, baby in my head right now
Everybody
She'll be screaming out
When it all goes down

Just stay with me now, say the word and we'll go
I'll be your teacher, I'll show you the ropes
You'll see a side of love you've never known
I can see it going down, going down

In my head I see you all over me
In my head you fulfill my fantasy
In my head you'll be screaming, oh

In my head it's going down
In my head it's going down
In my head

I see you all over me
In my head you fulfill my fantasy
In my head you'll be screaming, oh

In my head it's going down
In my head it's going down
In my head
