When I Grow Up

Mayday Parade

Boys call you sexy (What's up sexy!) And you don't care what they say (Quit it!) See every time you turn around they're screaming your name

Now I've got a confession Ha ha ha ha When I was young I wanted attention Ha ha ha And I promised myself that I'd do anything Anything at all for them to notice me

But I ain't complaining We all wanna be famous So go ahead and say what you wanna say You don't know what it's like to be nameless Want them to know what your name is 'Cause see when I was younger I would say

When I grow up, I wanna be famous I wanna be a star, I wanna be in movies When I grow up, I wanna see the world Drive nice cars, I wanna have groupies When I grow up, be on TV People know me, be on magazines When I grow up, fresh and clean Number one boy when I step out on the scene

Be careful what you wish for 'cause you just might get it You just might get it, you just might get it Be careful what you wish for 'cause you just might get it You just might get it, you just might get it

They used to tell me I was silly Until I popped up on the TV I always wanted to be a superstar And knew that singing songs would get me this far

But I ain't complaining We all wanna be famous So go ahead and say what you wanna say You don't know what it's like to be nameless Want them to know what your name is 'Cause see when I was younger I would say

When I grow up, I wanna be famous I wanna be a star, I wanna be in movies When I grow up, I wanna see the world Drive nice cars, I wanna have groupies When I grow up, be on TV People know me, be on magazines When I grow up, fresh and clean Number one boy when I step out on the scene

Be careful what you wish for 'cause you just might get it You just might get it, you just might get it Be careful what you wish for 'cause you just might get it You just might get it, you just might get it I see them staring at me Oh I'm a trendsetter Yes this is true 'cause what I do, no one can do it better You can talk about me, 'cause I'm a hot topic I see you watching me, watching me and I know you want it

When I grow up, I wanna be famous I wanna be a star, I wanna be in movies When I grow up, I wanna see the world Drive nice cars, I wanna have groupies When I grow up, be on TV People know me, be on magazines When I grow up, fresh and clean Number one boy when I step out on the scene

Be careful what you wish for 'cause you just might get it You just might get it, you just might get it Be careful what you wish for 'cause you just might get it You just might get it, you just might get it
