

One Track Mind

Mayer Hawthorne

My baby's got a one track mind
Only shopping bags with expensive tags
My baby's got a one track mind
And she buys her thrills when my heart unveils
Ooh I know what I'm doing is wrong
But baby gives me good loving all night long
My baby's got a one track mind
But she's so fine

My baby's got a one track mind
Only thing she knows is designer clothes
My baby's got a one track mind
Only crème brûlée and she gets away
Ooh I know I'm in a bad situation
But baby knows just how to get my heart beat racing
My baby's got a one track mind
She's so fine

When she walks in heels it gives me chills
Oh but when I get the bills I swear my heart skips a beat for real
My baby's got a one track mind
Only shopping bags with expensive tags
My baby's got a one track mind
And she buys her thrills when my heart unveils
Ooh I know what I'm doing is wrong
But baby gives me good loving all night long
My baby's got a one track mind
She's so fine
Yeah she's so fine
Ooh she's so fine
Yeah she's so fine
