

## One Track Mind

Mayer Hawthorne

My baby's got a one track mind  
Only shopping bags with expensive tags  
My baby's got a one track mind  
And she buys her thrills when my heart unveils  
Ooh I know what I'm doing is wrong  
But baby gives me good loving all night long  
My baby's got a one track mind  
But she's so fine

My baby's got a one track mind  
Only thing she knows is designer clothes  
My baby's got a one track mind  
Only crème brûlée and she gets away  
Ooh I know I'm in a bad situation  
But baby knows just how to get my heart beat racing  
My baby's got a one track mind  
She's so fine

When she walks in heels it gives me chills  
Oh but when I get the bills I swear my heart skips a beat for r  
eal  
My baby's got a one track mind  
Only shopping bags with expensive tags  
My baby's got a one track mind  
And she buys her thrills when my heart unveils  
Ooh I know what I'm doing is wrong  
But baby gives me good loving all night long  
My baby's got a one track mind  
She's so fine  
Yeah she's so fine  
Ooh she's so fine  
Yeah she's so fine
