## **One Track Mind**

**Mayer Hawthorne** 

My baby's got a one track mind Only shopping bags with expensive tags My baby's got a one track mind And she buys her thrills when my heart unveils Ooh I know what I'm doing is wrong But baby gives me good loving all night long My baby's got a one track mind But she's so fine

My baby's got a one track mind Only thing she knows is designer clothes My baby's got a one track mind Only crème brûlée and she gets away Ooh I know I'm in a bad situation But baby knows just how to get my heart beat racing My baby's got a one track mind She's so fine

When she walks in heels it gives me chills Oh but when I get the bills I swear my heart skips a beat for r eal My baby's got a one track mind Only shopping bags with expensive tags My baby's got a one track mind And she buys her thrills when my heart unveils Ooh I know what I'm doing is wrong But baby gives me good loving all night long My baby's got a one track mind She's so fine Yeah she's so fine Yeah she's so fine
