

They Don't Know You

Mayer Hawthorne

Johnny was a roller
Thought he could control ya
Bought you lots of diamonds & pearls
But his cash
No it didn't last
A minute in your world
Cam's a fancy dancer
Thought he could romance ya
Showed you all his talented moves
But his steps
No they didn't get
Him any closer to you

'Cause they don't know you girl
Like I know you girl
What they don't know
Oh is gonna be their end
No they don't love you girl
Like I love you girl
What they don't see
Oh is that they can't win

Damon was a player
Though that he could lay you,
down and talk about it at school
But his lines
You didn't pay no mind
You played him for a fool
Tony bought you flowers
Hounded you for hours
Showered you with compliments
But he saw
When you didn't fall
He had to call it quits

'Cause they don't know you girl
Like I know you girl
What they don't know
Oh is gonna be their end
No they don't love you girl
Like I love you girl
What they don't see
Oh is that they can't win

La da da da da da da da da da da da da da
La da da da da da da da da da
La da da da da da da da da da da da da da
La da da da da da da da da da

'Cause they don't know you girl
Like I know you girl
What they don't know
Oh is gonna be their end
No they don't love you girl
Like I love you girl
What they don't see
Oh is that they can't win
