

# When I Said Goodbye

Mayer Hawthorne

My will is torn to pieces (pick up the pieces, yeah)  
Been feelin' this way for so many days  
I wrote you a letter, this morning (I wrote you this morning, y  
eah)  
And tried to explain, my selfish ways

'Cause ever since I walked out I haven't felt alive  
I'm half the man that I was with you by my side  
I wish that I could dry all the tears that you cried  
(I didn't mean it) I didn't mean it, (I didn't mean it)  
When I said goodbye

I took our love for granted (Took it for granted yea)  
I never realized just how much I cared  
Now I'm going crazy without (Without you, I'm crazy, yea)  
I call out your name, oh but you're not there

Ever since I walked out I haven't felt alive  
I'm half the man that I was with you by my side  
I wish that I could dry all the tears that you cried  
(I didn't mean it) I didn't mean it (I didn't mean it) oh When  
I said goodbye  
Oh if I- I could see you just one more time (one more time)  
I would say (I would say), say exactly what's on my mind

'Cause ever since I walked out, I haven't felt alive (I'm not a  
live)  
I'm half the man that I was with you by my side (you by my side  
)  
I wish that I could dry all the tears that you cried  
(I didn't mean it) I didn't mean it girl (I didn't mean it)  
Oh When I said goodbye
