

## I Am Thy Labyrinth

Mayhem

They speak...  
In the garden of the prophet  
Divine madness...  
The order of the cosmic immoral

For what is humanity  
If not forlorn  
And crawling to my hands  
When the moment sings

For I have read the signs  
And I have solved the riddle  
of eternal life  
The Jinnah have spoken

For I have read the signs  
And I have solved the riddle  
of eternal life...
