Crank The Walls Down

Maylene and the Sons of Disaster

```
Well... Break the walls down
It's the Big Show, and Jericho
You know we've got you
Come on, let's break the walls down

For those about to rock, I'm what 'ya want
Baby you know you're Judas, and I'm your priest
Baby what I got is not from the least
Bring it to the stage in the rage of a beast

Step into the arena and break the walls down
Step into the arena and break the walls down
Step into the light, and then you'll know
You'll stop and drop by the Walls Of Jericho

It's the Big Show
It's a big, bad show tonight
Yeah
It's a Big Show
Crank it up and turn on the lights
Oh yeah

Get ready for trouble, that you've never known
Too late for runnin', it's time for the show

I'm a wake 'ya from a deep sleep, you're all weak
You're livin' in the agony of defeat
I am the master of your whole heap
I am the pastor, flock 'ya like sheep

Step into the town and break the walls down
Your heartbeat is the only sound
Step into the light and then you'll know
You were stopped and dropped by the Walls Of Jericho

It's the Big Show
And I've come to set things right
Yeah
It's a Big Show
He's gonna burn this house tonight
Oh yeah

Your time is over
Your times come around
Hold you high above me
Then plant you in the ground

Well... Break the walls down
It's the Big Show, and Jericho
You know we've got you
Come on, let's break the walls down

It's the Big Show, and Jerncho
You know we've got you
Come on, let's break the walls down
```
