

# Head To The Sky

Maysa

Keep your head to the sky  
Keep your head to the sky

Master told me one day  
I'd find peace in every way  
But in search for the clue  
Wrong things, I was bound to do

Keep my head to the sky  
For the cloud to tell me why  
As I grew, oh, in strength  
Master kept me as I repent

And He said  
"Keep your head to the sky"  
He said  
"Keep your head to the sky"

He gave me the will to be free  
Purpose to live His reality  
And I found myself never alone  
Changes came to make me strong

He said "Maysa, be all you can  
'Cause you need faith in your life to understand"  
So we're saying for you to hear  
Keep your head and face that what's fear

Keep your head to the sky  
Keep your head to the sky

Keep your head to the sky  
And the clouds will tell you why  
The clouds will tell you why  
I said, keep your head to the sky  
And the clouds will tell you why every time  
Told you why now

Keep your head to the sky  
And the clouds will tell you why  
The clouds will tell you why  
I said, keep your head to the sky  
And the clouds will tell you why every time  
You're free and beautiful to me

Keep your head to the sky  
Keep your head to the sky  
Keep your head to the sky  
Keep your head to the sky

Father, please bless me today  
And expand my territory  
With Your hand to guide me  
Keep me from evil  
And causing anyone any pain, amen
