

When I Fall In Love

Maysa

When I fall in love
It will be forever
Or I'll never fall in love

In a restless world like this is
Love has ended before its begun
And too many moonlight kisses
Seem to cool in the warmth of the sun

When I give my heart
It will be completely

Or I'll never give my heart

At the moment
I can feel that
You feel the same way too
Is when I fall in love
With you
