

Colour My Rainbow

Maywood

Colour my rainbow in blue
Take me to much better places
Baby come over and take me in your arms
Let me be there and aware of your charmes

Colour my rainbow please do
And I follow you
Why
Do I get lonesome when you're far away

For just one day
Why
Please tell me why
I got to know I won't let go

Colour my rainbow in blue...
Some
Are about to run away when times get rough
I need your love

Stay
Please stay with me
Until the end my friend
Colour my rainbow in blue

Take me to much better places
Baby come over and take me in your arms
Let me be there and aware of your charmes
Colour my rainbow please do

And I follow you
