

## Colour My Rainbow

Maywood

Colour my rainbow in blue  
Take me to much better places  
Baby come over and take me in your arms  
Let me be there and aware of your charmes

Colour my rainbow please do  
And I follow you  
Why  
Do I get lonesome when you're far away

For just one day  
Why  
Please tell me why  
I got to know I won't let go

Colour my rainbow in blue...  
Some  
Are about to run away when times get rough  
I need your love

Stay  
Please stay with me  
Until the end my friend  
Colour my rainbow in blue

Take me to much better places  
Baby come over and take me in your arms  
Let me be there and aware of your charmes  
Colour my rainbow please do

And I follow you
