

# I Love You Too Much

Maze

What is this feeling can't eat a bite  
Work till I'm tired can't sleep at night  
Since I have met you  
I can't do without your touch  
I just love you much too much

Maybe I'm jealous Can't help myself  
Don't like to see you with anyone else  
Since I've been with you  
I can't seem to get enough  
I just love you much to much

Eww baby  
Don't know what's come over me  
I'm not the way I used to be  
Ooooooooooh yeah baby

Ooooooooooh what is this feeling  
Can't eat a bite  
Work til I'm tired can't sleep at night  
Since I have met you  
I can't do without your touch  
I just love you much  
Eww I just love you much  
I love you, much to much to much

Ooooh I don't know I don't know what's come over me  
Oooh I'm not feeling the same no no  
Ewww since you came into my life

Oooh baby I can't eat no  
Love you much to much  
I can't sleep  
It's nothing I'm doing the way I used to  
Girl love you much to much  
What have you done to me  
Love you much to much  
Love you much to much  
I can't think straight  
Everybodys talking about me  
Everybodys saying things  
But I, but I, I just love you  
Love you much to much  
I just love you  
And I can't help myself baby  
Love you much to much
