

I Want To Feel I'm Wanted

Maze

If I don't answer when you call my name
Don't you get mad
If my kisses don't feel the same
Baby don't feel bad
I go on everyday thinkin bout you
Religiously
Oh and lately I've been so confused
What's wrong with me

Oh I toss and I turn and I yearn and I yearn
And I don't know what to do
Oh I've tried being by myself
Don't want anybody else but you all I know is I

Want to feel that I'm wanted baby I
Need to feel that I'm needed

I remember when you use to be here
All of the time
You were there when I needed you most
Everything was fine
Now you can't seem to figure out just where I'm at
Well you can't give me love this
Then take it back

Oh I toss and I turn and I yearn and I yearn
And I don't know what to do
Oh I've tried being by myself
Don't want anybody else but you all I know is I

Want to feel that I'm wanted oh how I
Need to feel that I'm needed

Can't you see that I want to feel that I'm wanted baby I
Need to feel that I'm needed

Can't you see that I
Want to feel that I'm wanted
Baby I need to feel that I'm needed

The same things you want I want them just like you. The same things you need baby better believe better believe that I want them just like you do. I want to feel that I'm wanted I need to feel that I'm needed all the things that you want yes I want what you want I need what you need yes I love what you love the same things you need
