

In Time

Maze

In time
The world will be much better for our children to live in
In time
A man won't be judge by the color of his skin
Some day
We will mend the things that tear us apart
In time
We'll learn to love eachother I believe this in my heart

Maybe this is my imagination
Maybe this is something I won't see
But ain't no one gonna tell me it can't be

In time
Love will find a way it's gonna be alright
In time
There will be no war they'll be no need to fight
I know
I know that this won't be an easy thing to do
In time
We will make it happen it's up to me and you

Maybe this is not to be tomorrow
Maybe this is something in my mind
But everything's gonna be in it's own time
