Lovely Inspiration

It was a lovely Inspiration shining in the sky A beautiful inspiration making me so high

Sometimes I feel like I'm not whole You come along and get control You are my life and you see what I need I get from you a

A lovely Inspiration shining in the sky A beautiful inspiration making me so high

There's times I feel so all alone I have no one to call my own Then there you are giving love It's what your made of you give to me a

A lovely Inspiration shining in the sky A beautiful inspiration making me so high

And when I'm tired and feeling low I don't know how but you know Your always around by my side to be my guide Here comes the feeling here comes the feeling

It's a lovely lovely lovely inspiration
It's so lovely all over world
It's all over over the world
