

Reachin' Down Inside

Maze

Reaching down inside for more when your all alone
Reaching down inside for more when your love is gone
Reaching down inside for more
Sometimes it gets so hard

Reaching down inside for more then your gonna know
Reaching down inside for more no matter where you go
Reaching down inside for more
Sometimes it gets so hard

In this world with it's ups and downs
You don't need to be denied
Cause in life things can be
So much more then we can see
Nobody knows just what your feeling Inside

There will be times when there's nothing right
Even though you really try
As long as you live there is so much more to give
Nobody knows just what your feeling Inside

Reaching down inside for more
Reaching down inside for more
