

## Reachin' Down Inside

Maze

Reaching down inside for more when your all alone  
Reaching down inside for more when your love is gone  
Reaching down inside for more  
Sometimes it gets so hard

Reaching down inside for more then your gonna know  
Reaching down inside for more no matter where you go  
Reaching down inside for more  
Sometimes it gets so hard

In this world with it's ups and downs  
You don't need to be denied  
Cause in life things can be  
So much more then we can see  
Nobody knows just what your feeling Inside

There will be times when there's nothing right  
Even though you really try  
As long as you live there is so much more to give  
Nobody knows just what your feeling Inside

Reaching down inside for more  
Reaching down inside for more
